

Caora Farm Directions

Directions notes: There are lots of ways to approach the farm but note that from Route 22 North Downey Rd has a railroad overpass. 12 ft 2 in high. If in doubt go to the light in Millerton at the intersection of 22 and route 44. Go east on 44 to next light. Go right onto Maple Street also called Rte 62 and 361 and it becomes Sharon Rd. Go exactly 1 mile driveway is on left.
