

Hello again!

I forgot to mention that the Pro Novice handlers meeting will be held at 7:30am with hopes of first run being on the field by 8am.

Best,
Sarah

Hello!

I am writing to inform you that your entry was received and accepted for our June trial being held on 06/03/2023 & 06/04/2023. I have touched base with everyone via Text message to confirm your camping status. If you responded, thank you! If you have not, please let me know asap just so we have an idea of numbers for parking purposes. The trial will be held at 1071 Perry Valley Rd, Liverpool, PA 17045. For those that attended last year's trial we are having everyone park in a different area as the seating area has also been relocated. I will have signs out that will direct you to the correct parking location.

** If your GPS tells you to take Wildcat Trail, DO NOT TAKE IT! Once you are on Perry Valley Rd it will bring you right to our place.

I am attaching the run orders for the weekend. Please note that there will be some adjustments made the day of the trials due to the set out and exhaust people also running in the trial. So flexibility is key to this event being successful. With that being said. I have a number of people who have offered to help with different aspects of the trial. I am attaching a "work list" as well so that you know where I will need your help. I did not assign specific times as everyone is running in the trial so we will have to cycle through as available.

If you have any questions, please reach out to me directly @717.554.0371 call or text or via my email Bass.mullin@gmail.com

Happy Herding,
Sarah Mullin
