

Hello!

I hope this email finds you well.

I am reaching out with a few updates.

First and foremost, our judge has changed due to a family emergency that has prevented Ron from being able to judge for us. Thankfully I was able to secure a new judge on short notice. Judy Gambill will now do the honors of judging the trial for us. If you are the praying/good vibes kind I am sure that they would be welcome for Ron and his family.

Secondly, we will be running Pro Novice first each day w/ the handlers meeting being @7:45 so we can start right at 8am.

Third, we will have a small selection of breakfast foods each day. Tentatively planning to take a 30-minute break at 12 each day for lunh. We will have Brisket (Saturday) and Pulled Pork (Sunay) along with some side dishes. Feel Free to bring a dessert if you wish to! We will also have a Kurig for coffee / hot drinks and we will have a cooler with cold drinks for everyone as well.

Next up, I had revised the running order to correct any errors I found. I have made some corrections so that everyone has time between their dogs if they are running multiples. I am attaching the new run order and a work "schedule" so that we can be prepped and ready to go.

Fifth, Campers we do not have hookups. So please be prepared to use generators if you have one.

Lastly, some ground keeping. We will have a fenced area that you will be able to let your dog(s) off leash in. It will be across the road from the main barn and trial field. Be mindful however that this field will border the field that my small flock of sheep & horse will be in. Both fields will be hot. Please be with your dogs at all times if they are off leash and remember that not all dogs are social butterflies. We do have a small creek you are welcome to take your pooches into and there is a quiet stone/dirt road that you are welcome to walk. If you are arriving Friday, I will be around as will my family so we can get you acquainted with the property.

Best,  
Sarah Mullin
